Dear Sirs,

Sun Delta announces that SunMorfeetm V will be transferred to RP TOPLA LIMITED as of Mar 31st 2021. We have started our transfer process in order that we can minimize your process for this transfer. Since RP TOPLA has been the manufacturing site of SunMorfeetm V, this transfer is executed with minimum changes. We greatly appreciate your kindest understanding in this situation. Please feel free to ask your contact for any questions to help the smooth transfer.

1) What change and what don't change

Brand owner	Sun Delta → RP Topla
Specifications and QA	Same (tradename, grade name, UL classification)
Sheet extrusion site	Same
Compound site	Same
Raw materials	Same
Sales Channel	Same (Nagase)

2) RP Topla contact

RP Topla (<http://www.rptopla.co.jp/index.html>) Sales Division +81-3-5577-5481

*Your daily window people of Nagase will assist you in the actual process.

Sincerely,

Goh Sato

President
